ALL-COUNTY INFORMATION NOTICE 1-75-79

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: RESTORATION OF LOST BENEFITS - COMPUTATION OF ALLOTMENTS

USDA-FNS has recently notified this department of a new procedure for treatment of certain supplemental allotments restoring lost benefits. Where the computation of the allotment in restoration cases yields a value of \$1, \$3, or \$5, an issuance should be authorized for the next higher coupon book value so that a complete coupon book can be issued. That is, computed allotments of \$1, \$3, or \$5, should be rounded up, respectively, to \$2, \$4 (two-\$2 books), or \$6 (three-\$2 books) values.

As previously stated, the modified procedure originated with USDA-FNS. It will be the subject of a new Food Stamp Regulation in the near future. Should you have any questions regarding this matter, please contact your Operations Analyst at (916) 322-5475.

Sincerely,

  
KYLE S. MCKINSEY  
Deputy Director
